In lieu of granting leave to appeal, this Court REMANDS this matter to the Wayne County Circuit Court. In lower court number 05-7245-01, the judgment of sentence, dated December 22, 2005, and the amended judgment of sentence, dated February 8, 2006, reflect that defendant's sentence for her unarmed robbery conviction (Count II) was eight to twenty years' imprisonment. The transcript of the December 22, 2005, sentencing indicates that the trial court imposed a sentence of five to fifteen years' imprisonment for the unarmed robbery conviction. Accordingly, the trial court should amend the judgment of sentence to accurately reflect the sentence imposed. In all other respects, the application to take a delayed appeal is DENIED for lack of merit in the grounds presented.
